# ALOHA MALIHINI!

Trader Frank of the Tiki Gardens has issued a big welcome to all our members during the Annual Meeting in June. He will give us a cut rate price to see his gardens. It is remarkable what Trader Frank has done with imagination, hard work, and showmanship, out of a salt flat. The Tiki Gardens at Indian Rocks Beach is a trip through a "South Sea Island Paradise."

There are peacocks strutting past the Polynesian water god "Kahona", brilliant macaws, mina birds that talk back to you, hundreds of parakeets in the bell tower, and restful lagoons all over the place. You sure don't want to miss this trip on Saturday morning at the convention. Just be sure you wear your name badge in order to get the cut rate.

While there you can visit seven fascinating shops. There is the Polynesian Shop, Famous Signal House, Oriental Shop, Basket Mart, Souvenier Shop, Tahiti Hut, Lotus House, plus Trader Frank's Restaurant. You can purchase your prize winning Hawaiian outfit for the laua from Trader Frank, or try some of his wonderful fruit drinks while listening to soothing South Sea Island Music.

Don't miss it!

# CHANGES TO BY-LAWS

There are two proposed changes to the by-laws to be acted upon at the Annual Membership Meeting in June. The first is necessary in order to make provisions so that affiliated organizations can be accepted. This change was discussed at the recent board meeting in Tampa.

These changes are proposed to do the job:

Art. I, Sec. 2f "Affiliated Organizations"

Sec. VIII Affiliated Organizations are those organizations interested in Hibiscus rosa-sinensis outside the limits of the United States.

Art. II, Sec. VI Affiliated Organizations shall pay dues of $25.00 per year.

The other change to be proposed will not go into effect until the Annual Membership Meeting of 1969 if approved. This change has to do with the eligibility of a member to serve as an elected director. The proposed change will be "A director, after serving a full three year term, will not be eligible for election as an elected director for a period of one year. This provision to become effective June 1st, 1969."

(Next page please)

The worst form of failure is the failure to try.
